Since 1984, we at Napoli's have been proudly serving the Houston area. We are family owned and operated and have always believed that great food at moderate prices in a casual family atmosphere are essential for our success. A lot of our preparation is done inhouse and we take pride in selecting our ingredients to insure we serve you the best product at the best price. Our pizzas are hand tossed and our sauces are home-made, just like Momma used to make.

The entire crew at Napoli's would like to take this time to thank you for your patronage and for choosing us for your special occasions; whether it be an anniversary, birthday, power lunch or just because, let us do the cooking ... please enjoy!
